Paul Mitchell The School Wichita

NAILS EDUCATION KIT

The Nails Education Kit is included in the cost of tuition, for students who pay for the full program. Transfer students are responsible to purchase the education kit at an additional cost from the published tuition.

THE SKILL CARDS APP

The Skill Cards App is a comprehensive, digital technical reference that supports Future Professionals across all core disciplines, including cutting, color, barbering, short hair, style and texture, makeup, skin, and nails. Designed to build strong habits, reinforce practical theory, and develop confident hands-on skills, the Skill Cards provide step-by-step technical procedures, diagrams, key points, technical adaptations, formulas, product guidance, and subject-specific fundamentals in one unified system. Used in both the classroom and clinic classroom, the Skill Cards serve as a quick-reference learning tool, guided practice support, and ongoing study resource throughout a learner's education and beyond.

The Skill Cards are also available as an app in English and Spanish.

CONNECTING TO MY FUTURE APP

Connecting to My Future is a professional development app designed to help transform yourself into your new role as a successful, confident, and knowledgeable salon, spa, or barbering professional. Having this strong foundation is key to success in the beauty and barbering industries.

This book focuses on the following:

- Essential skills — Also known as "soft skills," and include communication, empathy, mindfulness, social and emotional IQ, the Be Nice culture, being a team player, and more.

- Career services — Teaches professional career preparedness skills and provides the hiring opportunity connections for school graduates with salon, spa, and barbershop owners and managers.
- Financial literacy — This is how students gain a financial education and the confidence to properly manage and understand their money.

Each chapter of the app connects the reader with inspirational and experienced mentors, along with activities, videos, and MASTERS Podcast interviews.

MYPORTICO APP

MyPortico is a student success platform purpose-built for vocational education programs. It's student-driven, mobile-first approach improves the entire student lifecycle—helping more students get from day one to graduation day. MyPortico collects timely and accurate data from every learning environment, visualizes it into accessible dashboards, and automatically acts on it to intervene with at-risk students and celebrate student wins. Students input completed skills into the MyPortico student app. Depending on your program requirements, they can submit files including pictures, PDFs, and short videos alongside their skills. Instructors have a queue of skills that they can approve/reject with the touch of a button, or grade the skill depending on your program requirements. If skills need review by an external party like a site preceptor, you trigger competency evaluations after every skill, a set of skills, or a certain period of time.

QNITY
